It is my obligation to inquire about the specific work and work conditions I am volunteering for so that I understand what is expected from me. I understand that I have the right to stop work at any time for any concerns I may have about the work;
3. I understand that there is always a risk of injury in performing volunteer labor tasks to accomplish the requested work and in getting to and from the work locations. 4. I, binding my heirs, executors, administrators and assigns, hereby agree to release, hold harmless and indemnify LOV, its officers, officials, employees, agents and volunteers, from and against any and all loss, damage, expense or cost (including attorneys fees) of any kind for injuries (including property damage, personal injury, disability and death) arising out of this volunteer activity, whether caused by the negligence of LOV or otherwise;

I also waive the right to any form of present or future compensation, monetary or otherwise, for my image. I hereby release, discharge, and agree to hold harmless LOV for any claims that may arise in connection with the use of my image;
